

## OVERVIEW

I am a design-oriented software engineer with an interest in the technology and financial services industries. I love designing and creating delightful experiences centered around the needs of users.

## EDUCATION

**Bachelor of Arts in Mathematics & Computer Science** SEP 2013 – MAY 2017  
Boston University College of Arts and Sciences / Cum Laude (3.56/4.00) BOSTON, MA

**Bachelor of Science in Business Administration** SEP 2013 – MAY 2017  
Boston University Questrom School of Business / Cum Laude (3.56/4.00) BOSTON, MA

## WORK

**Technical Associate** JUL 2017 – PRESENT  
Putnam Investments BOSTON, MA

- assume responsibilities of Scrum Master for two separate Agile teams while continuing development tasks
- work closely with multiple product owners and stakeholders to understand business needs and identify appropriate solutions to implement
- actively maintain JIRA board and track team's progress through burndown and velocity charts
- develop internal CRM and sales platform for web using Angular and Salesforce API

**Software Engineering Intern** MAY 2016 – SEP 2016  
Putnam Investments BOSTON, MA

- collaborated with an Agile team of seven interns to develop enterprise software for Putnam's web platform
- developed applications and data visualizations for business users using Javascript libraries ExtJS and D3.js
- architected and prototyped enterprise search functionality by analyzing financial data and identifying user requirements and use cases

**Database and Operations Manager** OCT 2013 – MAY 2016  
Boston University Questrom School of Business BOSTON, MA

- consolidated a central database of 3000 alumni for the Questrom School of Business using Salesforce and Excel
- expedited speed of legacy workflows by implementing automation through the use of scripts and code
- designed and marketed seminars and information sessions to more than 500 undergraduate and graduate students

**Web Development and Design Intern** SEP 2014 – MAY 2015  
NextGenGolf BOSTON, MA

- redesigned front-end pages using Sketch and developed more than 120 pages for www.nextgengolf.org using HTML/CSS, Javascript, and PHP

## LEADERSHIP

**Vice-President & Co-Founder** MAY 2014 – MAY 2017  
Open Web BU BOSTON, MA

- co-founded student club to teach web development to members through internally designed workshops & lectures
- led and managed 31 students and four teams to collaboratively create websites for local non-profit companies
